The **HIP** Difference

Holmes Institute Pathways specialises in providing personalised education offerings that help students succeed in their Higher Education programmes. Small class sizes and individual attention mean students are able to achieve to the highest standard.

The HI:P University of Chichester International College is fully integrated with the wider University. This means from the first day of class students are part of the University student community, with full access to all its facilities.

Foundation

Don't have the qualifications for entry into a Degree programme? Enrol in our Foundation programme and develop the skills necessary to succeed at University.

A UCIC Foundation programme means you obtain one visa for four years of study. After successful completion of your Foundation Year, you are guaranteed automatic progression into the 3-year degree programme in your chosen subject pathway.

You can complete your foundation across either 1 Semester, taking 4 modules, or across 2 Semesters, taking 2 modules each time.

Part A

Study essential modules that build your skillsets and confidence:

- Study Skills & Communication
- Business & Economics
- Critical Thinking
- Globalisation
- ICT Skills & Mass Communication

Part B

Study 1-2 modules from your chosen degree course such as:

- Business
- Engineering
- Computer Science

International Year 1

Don't meet the entry requirements for your dream course? Don't worry. With UCIC's International Year 1 programme you'll begin your degree with smaller class sizes and personalised attention.

You will build your subject-specific knowledge and skills required to embark on a degree programme in a personalised environment before progressing onto your specific degree in second and third year.
